Robert Michels

faculty

Stanley Coen, M.D. is a Training and Supervising Analyst at the Columbia University, Center for Psychoanalytic Training and Research, Clinical Professor of Psychiatry at P&S, a member of the editorial boards of JAPA, the Journal of Clinical Psychoanalysis, and the Journal of Applied Psychoanalytic Studies. He is the author of *Between Author and Reader*, *The Misuse of Persons*. His new book *Affect Intolerance in Patient and Analyst* is about to be published by Jason Aronson, Inc.

Alan Felix, M.D. is an Associate Clinical Professor of Psychiatry, College of Physicians and Surgeons, and the Director of the Critical Time Intervention Mental Health Program in the New York Public Health Department of Psychiatry.

Lucy LaFarge, M.D. is a Training and Supervising Analyst at the Columbia University, Center for Psychoanalytic Training and Research and Clinical Assistant Professor of Psychiatry at Weill Medical College of Cornell University. She has published papers on narcissism and object relations theory.

Helen C. Meyers, M.D. is a Training and Supervising Analyst, at the Columbia University, Center for Psychoanalytic Training and Research, and Clinical Professor of Psychiatry, College of Physicians and Surgeons. She is Vice-President of the International Psychoanalytical Association. She is the author of "Aggression of Everyday Life—Two Successful Characterologic Ways of Dealing with Aggression" in *Rage, Power and Aggression*, R. Glick & S. Roose, eds.; "Clinical Management of Masochistic Character Traits" in *Masochism: Current Psychoanalytic Perspectives*, R. Glick & D. Meyers, eds.

Robert Michels, M.D. is a Training and Supervising Analyst at the Columbia University, Center for Psychoanalytic Training and Research, and the Walsh McDermott University Professor of Medicine and Psychiatry at Weill Medical College of Cornell University. He has published extensively in psychoanalytic and psychiatric journals.

Vivian B. Pender, M.D. is a Training and Supervising Analyst at the Columbia University, Center for Psychoanalytic Training and Research, and Clinical Associate Professor of Psychiatry at Weill Medical College of Cornell University. She is President of the Association for Psychoanalytic Medicine and President-Elect, New York County District Branch of the American Psychiatric Association. She is the author of *Terrorism and Trauma: A Psychoanalyst in a Community Struck by Terrorism*.

Ethel S. Person, M.D. is a Training and Supervising Analyst at the Columbia University, Center for Psychoanalytic Training and Research, and Professor of Clinical Psychiatry, College of Physicians and Surgeons. She is the author of *Dreams of Love and Fateful Encounters: The Power of Romantic Passion; By Force of Fantasy: How We Make Our Lives; The Sexual Century*; and the just released *Feeling Strong: The Achievement of Authentic Power*.

John Munder Ross, Ph.D. is a Training and Supervising Analyst at the Columbia University, Center for Psychoanalytic Training and Research, and Clinical Professor at the College of Physicians and Surgeons. His eight published books include *Tales of Love, Sex and Danger*, *What Men Want*, *The Sado-masochism of Everyday Life*. He is at work on a play, *Gregor and Wanda*, based on the life of Sacher-Masoch.

George Sagi, M.D. is a Lecturer at the Columbia University, Center for Psychoanalytic Training and Research, and Clinical Assistant Professor of Psychiatry at Weill Medical College of Cornell University.
